Garreco DENTAL

DENTAL LABORATORY PRODUCTS

Proudly designed and manufactured in the USA since 1988

ABOUT GARRECO

Garreco Dental has been providing quality dental lab products for over 28 years. As one of the leading manufacturers of dental gypsum and abrasive products, we take great pride in the quality and consistency of all of our products. Our manufacturing process is ISO 13485 certified and uses only the best raw materials which we carefully formulate for exacting product standards and superior performance. In addition, 100% of our gypsum products are tested prior to being shipped to ensure quality and consistency.

In addition to our core dental business, Garreco also produces products for the fields of jewelry casting, aerospace, forensics, taxidermy, special effects, and hobby. Please contact our sales team for more information regarding these products.

Our dedicated team of professionals is committed to providing superior customer service and on-time delivery for all our products. We encourage you to reach out and allow us to impress you with our products, honest approach to business, and the Garreco Advantage.

THE GARRECO ADVANTAGE

- ★ Over 28 Years of Dental Experience
- ★ ISO Certified Manufacturer
- ★ Highest Quality Product for a Great Price
- ★ Consistency in Every Box
- ★ Right Product Delivered on Time
- ★ Custom Blending

EXPLORE OUR PRODUCTS

Dental Gypsum
Highest quality gypsum-based dental stones and plasters for casting perfect models. Popular brands include Excalibur™ Die Stone, Tecstone™ Base Stone, and Pristine® Operatory Gypsum.

Abrasives
Abrasive material for smoothing, polishing, and finishing acrylic-based dental appliances. Product lineup includes Resilience™ pumice replacement, aluminum oxide, and glass beads.

Acrylics
Axcent™ and Dynasty™ brand dental acrylic denture base in a variety of shades and applications. Try new Dynasty Hi-Impact Pour Type™ denture base powder and liquid.

Crown and Bridge
All the tools you need to prepare esthetically pleasing restorations. Products include Ultravest™, Perfect Press™ Investment Material, and Flexi-Ring™ Ringless Crown and Bridge System.

Lab Supplies
The right laboratory products at the right price. Try Garreco Dental's Separating Film, the superior alternative to tinfoil, available in regular or concentrate.

Partial Denture Supplies
Vitex™ brand products help create the perfect denture. Check out Vitex™ Refractory Model Hardener, Duplicating Material, and wax Superform patterns.

Rotary
Quality rotary attachments for cutting, polishing and grinding. Garreco recommends Perladia Polishers, which have been the standard in porcelain polishing for many years and can be used with any porcelain.

Silicone
Premium silicone products for superior duplicating purposes. Products include Accusil™ and Silaform™ Silicone Putty.
