

Garreco

RESILIENCE POLISHING/FINISHING MEDIA

Resilience™ is an all-purpose acrylic polishing media designed for faster and smoother polishing of acrylic appliances. Specially formulated with unique abrasives to cut faster, easier, and smoother than pumice-type products with no scratching or grooving. Resilience saves time and does not require a change in your current technique. Kind to your hands and does not give off a bad odor commonly associated with pumice.

- Easy to use
- Replacement for pumice media
- One grit size does it all
- No odor or bacteria
- No scratching or grooving
- Saves time

Indication for use: Polishing acrylic appliances

Manufactured by Garreco, LLC
